

Join us for the opening talk of our conference, Next-Gen IV: PV Materials June 9 - 12 2019 at the Stadsschouwburg Groningen

Sunday June 9: 19:00 hrs

Molecular Photovoltaics and Artificial Photosynthesis

Michael Graetzel

Ecole Polytechnique Fédérale de Lausanne (EPFL)

The opening talk is open for public!

And it is followed by a reception where you can meet prominent scientists from all over the world working in the field of photovoltaic materials.

To register for the Sunday evening opening talk only: send an email to nextgenpv4@rug.nl

If you want to join for the entire conference, registration is only €100!
